# DOMAINE TASCHEREAU - PARC NATURE

**Sainte-Marie**

## **The Central Park of Sainte-Marie!**

In Beauce, we are truly unique! By visiting Sainte-Marie in winter, you will be amazed to find an open-air stopover in the middle of the city where you will be able to practice a variety of sports...

This eco-refuge is one of the 12 must-sees to discover on the Route de la Beauce. Go there to explore its very well-maintained hiking, snowshoeing and cross-country ski trails, which are free to access. Observe several species of birds, enjoy the tranquility of the place and breathe the fresh air of the white season.

# PARC DES RAPIDES DU DIABLE

Beauceville

## A proximity to the river!

Meet at Parc des Rapides du Diable, one of the 12 places that hosts our Miracles on the Route de la Beauce. There, it is not the devil that you will encounter, but a little free corner of paradise for a hike in the heart of nature.

Put on your cross-country skis or snowshoes and take the trails of the bike path along the Chaudière River between Beauceville and Notre-Dame-des-Pins. Admire the views offered by the Beauceron landscape. Walk in the forest and learn more about the history of this park by doing a bit of reading on the thematic panels.

# PARC DES SEPT-CHUTES

**Saint-Georges**

## **Walking trails close to the city!**

Seven waterfalls. Two hundred years old enormous pines. Sloping paths to take on snowshoes or on foot to give you beautiful red cheeks. 25 meters-high footbridge. It is not surprising that the Parc des Sept-Chutes is one of the 12 places of the Beauceron Miracles! This is what Saint-Georges is called the classic of classics to visit.

Your whole family will love this place of fun and rejuvenation. Take up the challenge of doing all the stops along the falls or take it slower. But don't miss it!

# BLEUETIÈRE GOULET

Saint-Frédéric

## Skating trails in the heart of nature!

As a magical site to enjoy the joys of winter, who would have thought of a blueberry field? In Saint-Frédéric, the Bleuetière Goulet has brought out the splendor of its maple grove by creating super cute skating trails.

As a family, turn and turn again on the six kilometers of icy trails! You can put on your skates and warm up in the hut nearby, take a break in the rest areas and sit around the fires. Leave with a happier heart after a good hot chocolate or a little gin from its restaurant-boutique corner.

With its homemade smokehouse, chicken wings and fabulous Alabama sauce, the restaurant is a gourmet destination in Beauce. Take advantage of this stop to taste one of their house alcohols or smell a pie straight out of the oven. Enjoy your food!

# FROMAGERIE PÉPITE D'OR

**Saint-Georges et Sainte-Marie**

## **From the producer to the table!**

By biting into the cheeses of La Pépète d'Or, you will find that Beauce products are a real gold mine! Through the shop, you will discover a wide variety of local gourmet items.

11 flavors of cheese will be spread out, all equally delicious. Take them to take out on a tray: ideal for snacking during your gatherings. You can also find them mixed with fries and La Poutine d'Or poutine sauce from the same owners. In summer, let yourself be tempted by a soft cream at the dairy bar. Will the raspberry one be your favorite too?

# L'ARTISAN DU CAFÉ

**Saint-Georges**

## **Exceptional coffee!**

Your sense of smell will know how to guide you to L'Artisan du café, the only roastery in the Beauce. The beautiful wooden plank house with a very rustic welcoming feel gives off such a pleasant smell that you will not be able to resist.

Buy your morning coffee ready to go, your grains to grind at home, your favorite varieties of tea or even a little something from the boutique section. But be sure to try the maple latte, a classic in our region. Will you choose the hot version or the iced version?

# ALLONS À LA CABANE

**Saint-Théophile**

## **In the land of maple!**

As a group of friends or with the extended family, the Allons à la Cabane agritourism experience is sweetly enjoyable! You will be greeted for nearly two hours by real pros who will introduce you to current and past processes as well as the intricacies of maple syrup making.

Depending on the level of knowledge of your group, three sections are available to you!
